REPORT OF THE TRUSTEES EPSOM PUBLIC LIBRARY

The year 1952 is our 50th anniversary.

Our Library building was dedicated and opened for use August 21, 1902. The dedication exercises were held in the G. A. R. Hall over the Silver & Hall store in Gossville, now occupied by Herbert Seldon.

The building cost \$1,042.26.

The California red wood of which it is constructed, was given by Mr. John Dolbeer of San Francisco, a native of Epsom. The land was the gift of one of our citizens, Mr. C. S. Hall.

The Library Trustees who acted as Building Committee were John H. Dolbeer, Warren Tripp, and Roscoe Hill.

The Librarian was Mrs. Grace Snow.

The Library opened with 1,000 volumes. Today, 50 years later, we have on our shelves more than 6,000 volumes. We are now purchasing about 100 new books each year and we receive voluntary gifts of about 50 books annually from friends.

The circulation in 1902 was 2,236 books, — withdrawn for reading.

The circulation in 1951 was 2,231.

The largest was in 1938 — 6,711.

The almost uninterrupted decline in the use of the Library since 1938, has given your Trustees much concern. We have consulted our school teachers and others

interested to learn the causes for this situation. Some of the causes mentioned are:

Devotion to the radio and to the television.

Increased interest in newspapers by adults and in "funnies" by the youth.

General decline in book reading in favor of current magazines.

Increased social activities and use of the automobile for diversion.

We continue to feel, however, that there is no adequate substitute for a reading acquaintance with the best English literature and with this our Library is well supplied.

Our Library is open for loan of books, free of charge, on Saturday afternoons from 2 until 5 o'clock. We urge our citizens to make greater use of it. You built it. You pay for its maintenance. It belongs to you.

Respectfully submitted,

RALPH E. TOWLE,
HENRY DOWST,
FLORENCE L. YEATON,

REPORT OF THE EPSOM VOLUNTEER FIRE DEPARTMENT

For the Year Ending December 31, 1951

Following is submitted the annual report of the Epsom Volunteer Fire Department.

Well-attended meetings have been regularly held during the year to carry on the business of the department.

Our June meeting, in the form of an outing, was held at the farm of Mr. Ralph E. Towle, at which time Edward B. Demers, a charter member, was presented a certificate for meritorious service, upon his retirement from active duty in the department.

A minstrel show, composed of local talent, added a sizeable amount to the building fund treasury. A turkey raffle, held at our annual banquet in November, also benefited this fund.

Several calls to chimney and other minor fires were answered during the year.

REPORT OF THE FOREST FIRE WARDEN

Only YOU can PREVENT Forest Fires

New Hampshire faces a real forest fire problem and challenge! To meet it successfully, New Hampshire and your community needs YOUR thoughtful and co-operative effort.

Continuously heavy lumbering operations following the hurricane has produced more than 4 billion board feet of lumber. This lumber helped win World War II, meet post war needs and now the current requirements for the Korean military action. But it has added nearly 900,000 acres of slash to our already sizeable slash problem.

When YOU fail to use needed precautions while burning in or near woodlands —

When YOU fail to secure the required permit from your local forest fire warden before burning —

When YOU are careless in smoking near woodlands —

When YOU throw lighted cigars, cigarettes and matches from vehicles moving along the highway —

YOU are violating fundamental common sense and may easily contribute to a substantial and costly fire. Such conflagrations are possible because of the hundreds of thousands of slash acres throughout the state!

REMEMBER — the fire YOU prevent might be one which could conceivably burn YOUR property and harm YOUR community!

ONLY YOU and YOU and YOU can prevent forest
fires! ! Will YOU help!
